

GENERAL INFORMATION

Prices are **inclusive** of: use of boat, VAT and statutory taxes, liability insurance and KASKO.

Prices also include launching, hauling, briefing and debriefing, final cleaning, delivery and collection at Porto Torchio (Manerba del Garda).

Petrol is NOT included in the rental price: we deliver all our boats with full tank, and in the end we will take care of the refuelling, which must be paid in cash (there is no refuelling charge).

The average consumption for 40 HP boats is 6/7 litres per hour; as regards more powerful boats, instead, we recommend you to contact us directly for information about consumption.

However, we recommend you not to occupy a boat with the maximum capacity allowed, to ensure maximum comfort and enjoyment of navigation to all passengers. In any case, children on board are counted as adults (we provide lifejackets suitable for children with no extra charge).

Boats are available to customers from 9am of the first day until 5pm of the last day. For 1 day rentals, boats must be returned no later than 6pm.

There is a **mooring buoy** in Manerba included in the price during the rental period (please contact us). If you spend your holidays in another place and want to take the boat with you, a buoy or a place in a harbour have to be reserved by yourself.

Since summer 2008 Nautica Benaco is in possession of a **pier** directly at the beach from where you can use our comfortable **tender service** to our buoys during the day (from 9 am to 6.30 pm).

The pier is only 50 m away from the Porto Torchio and permits you to get comfortably in and out of the boat.

Our customers can use our private **parking** place in Via Belvedere 4 (Manerba Del Garda) without extra charge.

The transfer to the harbour will be offered by our tender service, which is free of charge.

Prices don't include:

- fuel consumed during the rental;
- damages of the boat caused by improper or negligent use;
- loss of equipment;
- penalties for delays in returning the boat.

The insurance of the boat and its equipment as well as the third party liability are included in the rental price, but the client is responsible by himself up to the amount of the deposit.

All our boats are insured **by RC and KASKO**, the tenant is expected to pay a deposit (franchise) of an amount between € 600 and € 2.500, depending on the model and length of the rental period.

The deposit (franchise) can be paid in cash or by traditional credit cards (with embossed numbers) belonging to the VISA and Mastercard circuits.

It is not possible to use an EC-card (electronic cash).

The insurance does not cover personal objects of the client.

The deposit for our boats is:

The boat must be brought back at the time and place agreed in the rental contract.

After a **damage** the client has to inform Nautica Benaco immediately by telephone. Nautica Benaco can claim compensation for damages in case of carelessness and intention.
